SPECIAL INSTRUCTIONS:

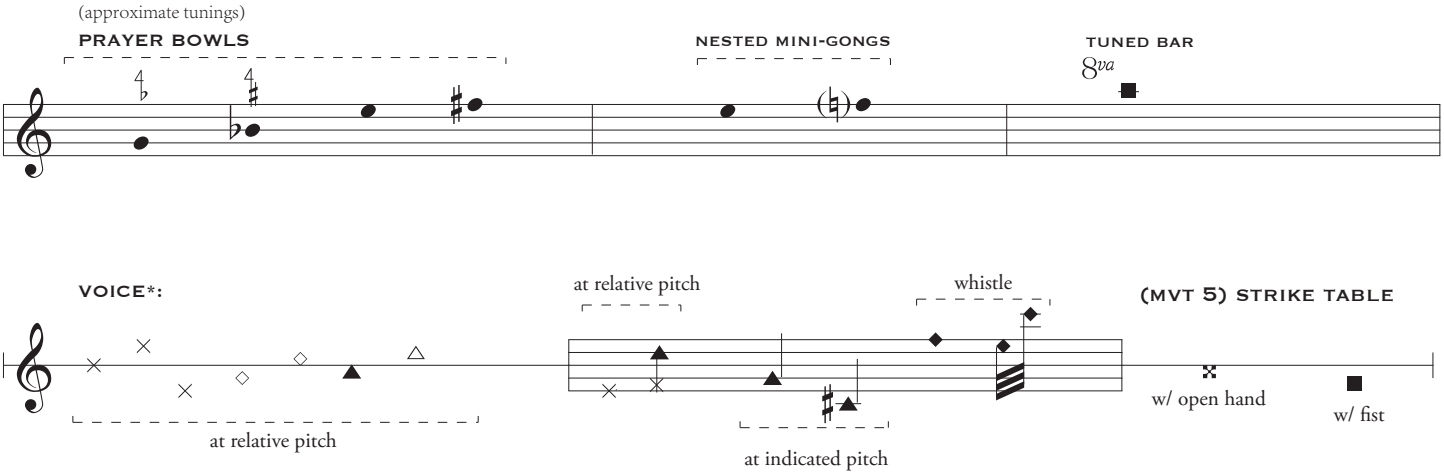
- the soprano plays the percussion

- the percussion instruments used should match the tunings of the orginal instruments as closely as possible (as indicated below). For photos of original instruments and setup, please visit www.susanbotti.com

PERCUSSION LIST:

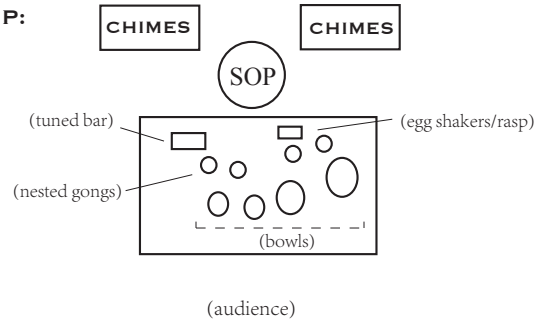
hanging key chimes with small gong*
(the original gong was tuned to a Bb3 which added a lower timbre to the keys)
hanging mixed metal chimes* (lower in pitch than the key chimes)
4 tuned prayer bowls**
2 nested mini-gongs**
1 tuned bar chime (the original was 7")
1 small rasp or scraper (cricket-like sound)
2 egg shakers
solid resonant table for the nest (also struck with hand/fist)
appropriate beaters/mallets
2 boom stands for hanging chimes

* originals made by SB
**originals purchased in Taipei



× = sprechstimme; ▲ = sprechstimme but with more tone

SETUP:



(2017)
